Wilson Grava, VP of Latin America

Wilson joined Pure Storage in 2014 and is the VP of Latin America. Prior to Pure, Grava was responsible for Sales, Pre-Sales, Sales Ops, Marketing and Channel for Latin America & the Caribbean at NetApp. Before joining NetApp in 2011, Grava was the VP for Latin America at Symantec, a leader in security and systems management solutions. Previously, Grava was responsible for McAfee's operations in LatAm. His career began at CA Technologies, where he held technical, Marketing, Acquisitions, Education and International Channel management positions. Grava holds an Executive MBA from ESPM and a BSc in Data Processing from the Universidade Mackenzie, both in Brazil.
