

Kevin Delane

VICE PRESIDENT, WORLDWIDE SALES

Kevin Delane serves as Pure Storage's Vice President of Worldwide Sales where he oversees the company's global go-to-market strategy and ensures customer success. He is also responsible for international expansion and growth. Kevin was previously the Vice President of Global Accounts, Service Providers and International Sales for Pure.

Kevin is a technology sales veteran with 30 years of experience. He came to Pure Storage from IO, where he was the Senior Vice President of Sales. Prior to IO, Kevin spent more than 18 years at EMC in sales leadership roles including Senior Vice President of Business Operations, Isilon.

He holds a Bachelor of Science from Providence College.
