

# EDUCATION INSTITUTIONS TAP PURE STORAGE To Enhance Students' Learning Experience

Leading educational institutions modernize infrastructure to drive IT transformation, reduce storage costs and increase focus on students.

## University of Texas at Dallas

“ The FlashArray has been the easiest thing I have ever set up. It just works. ”

**John McConnell** *IT Manager, School of Engineering*

## Judson School District

“ Students spend 33% more time on active learning. ”

**Chris Dean** *Director of Network Services*

## Sacramento Unified School District

“ Pure Storage helps us be as innovative as our students. ”

**Nick Seachow** *Director*

## Waxahachie Independent School District

“ I might worry about the network, about memory, about processing. But I never worry about storage. ”

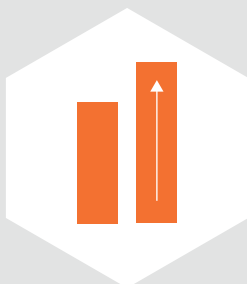

**Robert Keith** *Director of Technology*

### UT DALLAS

Access to 35 essential apps and 3D programs

### JUDSON ISD

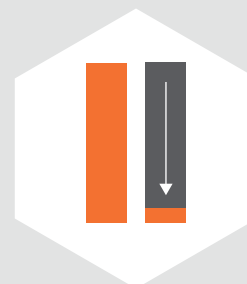

33% more time spent on active learning

### SCUSD
